Friends of Donnelly Village Newsletter - August 2020

Memories

John Britten found this circa 1960 photo taken on the front lawn of his Mum and Dad's place. He has (to the best of his knowledge) inserted the names of those he remembers but one lady escapes him. There'll be some old Donnelly faithful's who will know her name!!

Sporting days

A couple from Bridgetown found this trophy in the back of a cupboard and kindly donated it. The Donnelly River men's basketball team were running hot from 1957 to 1960!

Donnelly online at Collections WA

Collections WA is a new digital platform to showcase WA's unique collection of cultural, creative and natural materials. This [link](#) will take you to a collection of Donnelly images and a terrific video compilation of interviews from Grace O'Neill, Pat Reeve, Tim Larsen and John Tillman.

AMaaGA National Awards - Australian Museums and Galleries Australia

FODV entered into two categories for these national awards:

Interpretive signage – entered Donnelly River Heritage Trail Contribution by a community-based organisation – entered Friends of Donnelly Village

We were a finalist and received a commendation award in the 'Contribution by a Community-based Organisation' category in the 2020 WA Heritage Awards.

FODV Membership

Renewal notices for membership of the Friends of Donnelly Village have been sent out. Thank you for your continued support.

Museum Updates

The museum has reopened after the Covid-19 restrictions were relaxed. We're looking at heating the Museum as it can get pretty cold - as you all know!

If you're interested in volunteering please contact Marg Jenaway on 0428 150 548.
